GRAMMAR SCHOOL

13th September

Dear Parents/Carers,

Further to my previous email regarding the new school logo, our school uniform provider has let us know that they have received calls querying changes to the uniform. To provide further clarity and to reassure you with reference to any costs; please read the following information carefully:

- A new badge with the new logo will be provided for all students in Y7-Y11 - at no additional cost to parents/carers.
- There is no expectation for any student to have to purchase a new blazer. Parents/carers should continue to purchase blazers with the existing logo and wait for the new badge to be issued.
- To reiterate - there will be no charge for these badges; the school will fund the cost.
- All other aspects of school uniform will remain the same for the time being - we will provide further information in due course and are very conscious of any additional costs to parents/carers.

Please do wait for further updates with regards to the new badge over the next few weeks. Until then, parents/carers do not need to purchase any new items for their children in relation to the new badge. The current uniform should still be worn in school.

Oz Schoolwear will continue to work with Townley and provide customer service for all parents/carers.

If you have any further questions regarding the new logo you may email pa@townleygrammar.org.uk .

Kind regards,

GRAMMAR SCHOOL

12th September 2023

Dear Parents, Carers and Students,

I hope the start of term has been smooth and successful so far, welcome back to all our students and a very warm welcome to Townley to our Year 7 students and new Year 12.

New Logo and Values

We are delighted to share with the school community our new logo and values. Townley has been on a transformative journey this past year and it is with heartfelt thanks to all members of the school community who have contributed to shaping our new identity.

All students will be provided with a new badge to be sewn over the old one on their school blazer at no cost to parents and carers. Please do look out for updates about this in the next few weeks. We hope you agree our new identity reflects the ethos and culture of our school community.

Whether you are joining us in Year 7, 12 or any other year group, I very much look forward to getting to know you all and sharing in the celebration of your many achievements to come. As always, this is likely to be another busy term but one that promises to be enriched with further opportunities, ensuring all of our students are able to flourish both within and beyond the classroom.

Kind regards

N Pandya
